

Events postcard templates

This powerpoint file consists of three different slides:

- The first two are designed for panel events; they have the same content, it is just the proportions of the pictures of the people involved that are different (slide 1 is for a panel with three speakers, slide 2 with four);
- Slide 3 is for “standard” events, with a space for the description of the event itself plus a picture to illustrate it.

Please refer to the accompanying PDF named «How to use the Event and Quotes postcard templates », or contact me by email: n.dotti@dcaf.ch to replace the placeholder image with your own without altering the layout.
